

Christian Science Services

Thanksgiving Day

A special Thanksgiving service, open to the general public, is announced by Christian Science Society of Tryon for 11 a. m., on Thanksgiving Day. The service will be held in the church edifice at First Street.

The latter portion of the service will be devoted to spontaneous expressions of gratitude by Christian Scientists for God's goodness as shown in spiritual growth, healing, and other blessings.

Selections on the subject of praise and thanksgiving to God will be read from the Bible and from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, in a specially prepared Lesson-Sermon entitled, "Thanksgiving."

The service is open to the general public and local church members have invited everyone to attend.

Henry Hart has returned to Tryon from a business trip in the midwest.

DR. EMIL SMITH OSTEOPATHY
