

THE FIRST CHURCH OF CHRIST, SCIENTIST

"Ancient and Modern Necromancy, Alias Mesmerism and Hypnotism, Denounced" is the subject of the lesson-sermon in all Christian Science Churches next Sunday.

The Golden Text is from III John 1:11: "Beloved, follow not that which is evil, but that which is good. He that doeth good is of God: but he that doeth evil hath not seen God."

Passages from the Bible include: "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." Ephesians 6:12.

And from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "The march of mind and of honest investigation will bring the hour when the people will chain, with fetters of some sort, the growing occultism of this period." (Page 570.)

Mr. and Mrs. Ernst Mahler will have as guests for the Thanksgiving week-end, Mrs. Walter Kasten of Milwaukee, and James C. Hemphill of Chicago.
