THE TREES ARE UP

In order to cut the Christmas trees for Trade Street before the rain made it impossible to drive over the wet ground, the Chamber of Commerce got busy Wednesday to locate a truck big enough to haul them. John W. Cowan of Cowan's Super Market volunteered the use of his truck and became the first donor to the fund this year. Buchanan's 5&10c came across with a cash donation and the trees were on their way. Other donations are in the mail and will be reported Monday. It will take \$175 more than what's in the treasury to wire the trees and pay the electric bills. Contributions may be sent to the Chamber of Commerce or the Bulletin office, or left at the Tryon Bank & Trust Co., the easiest way for you to give it. Probably your grocer would take it if you request it. This is one contribution you can make to send out beams of Christmas cheer to thousands of people who pass through Trade Street during the holidays.—Curb Reporter.
