## Veterans Hospital Thanks Local People for Gifts

Mrs. Fred E. Placak, Council Representative of the Polk County Chapter of the American Red Cross has received a letter of thanks from the Veterans Hospital as follows:

Dear Mrs. Placak:

We wish to acknowledge receipt of the lovely bingo prizes which your chapter has supplied so generously for the hospitalized veterans at Oteen.

These prizes are some of the most attractive we have received from any chapter. We will be very proud to present these prizes to those patients who win at competitive bedside games which are held on the wards for them to enjoy. We know that they will be pleased and delighted. Prizes make the recreational activities much more interesting to them.

Please accept our sincere thanks and appreciation on behalf of the many veterans who will benefit from the endeavor of your volunteers.
