IRISH HANDWOVEN WOOLENS

These have been impossible to get all fall. Ireland is top fashion these days, and the specially lovely "one of the kind" products from Avoca Handweavers have been snapped up as soon as they reached the country. But at last I have got some more of what one customer called those "outrageously beautiful" stoles, cap robes and tweeds for suits and capes. (Light-weight too, for the South). Come and see them.
