Mrs. V. K. Arnold,  
Route No. 4,  
Kingsport, Tennessee.

Dear Mrs. Arnold:

Replying to your letter published in Dec. 24th, Daily Bulletin, I know I speak for the community when I tell you we are all very sorry about the unfortunate experience recited in your letter.

However, it is only fair to point out that the town of Tryon and its law enforcement officials were not involved in any way. The State Highway Patrolman who apprehended your husband is under the direction of the State Highway Department. The magistrate before whom your husband appeared is a State appointee and neither he nor the patrolman are subject to direction by the Town of Tryon.

I sincerely regret the whole incident and wish to assure you that the Town of Tryon and its officials are always courteous and sympathetic with all visitors. I am enclosing a small personal check

to help reduce the loss you have suffered.

Yours very truly,  
C. D. Stevens, Mayor.
