TRYON, N. C. THURSDAY, DEC. 31, 1953

Weather extremes over the Christmas week amounted to a high of 62 and a low of 22, rain .18 . . . Today is the last day of the year 1953. An attractive calender put out by Kimberly-Clark Corporation quotes Benjamin Franklin as saying, "Be at war with your vices, at peace with your neighbors, and let every New Year find you a better man." . . . ROTARY CLUB meets TODAY on account of Friday being New Year's . . . A RADIO STATION FOR TRYON is underway. Mildred Allen and Dorothy Friend, partners in the Thermal Broadcasting Co., of Tryon, N. C., have made application to the Federal Communications Commission for a radio station on 1540 kilocycles, 250 watts during daytime hours. Misses Allen and Friend are teachers in the University of Tulsa at Tulsa, Okla., according to Co-Manager George Cooksey of Oak Hall Hotel, who says the station will be located on Oak Hall Hotel with studios on the top floor. Howard Frankenfield Jr., made a survey of the property several weeks ago in making preparation to submit application. The home address is listed at present in care of Miss Mildred Allen, Tulsa, Okla.

Hendersonville business houses are observing Jan. 1 as a full holiday by closing.
