When the late Mrs. Phil B. Reed sold her home in Tryon, N. C. and moved into an apartment, she sold four carved diningroom chairs. The Reeds had previously sold their Clearfield, Pa. home to us in 1952 and at that time we purchased six similar carved chairs and a matching diningroom table.

We are interested in getting in touch with the present owner of the four carved chairs as the owner might be interested in selling two or all four chairs. Please write to Mr. and Mrs. William K. Ulerich, 724 Old Town Road, Clearfield, Pa., 16830

**STAY WARM**

By Julie Bender, NCSU

Use your head in keeping warm this winter.

If you cover your head with a hat or scarf and keep your torso well covered you can prevent heat from being lost from your head.

Then your body will send heat to your hands and feet so you'll feel warm all over, say specialists with the North Carolina Agricultural Extension Service.

Mr. and Mrs. John McCallum of Farmington Hills, Mich. have arrived at their home in Tryon.
