today and Tuesday for Teacher Work Days. Supt. Vernon L. Dusenbury stated that this was an excellent opportunity for parents to have a conference with their child's teacher.

FILED. C. R. Bolling has filed for the Polk County School Board to represent Columbus Township.

N. C. state officials are fuming over having to switch from gas to fuel oil. The main reason for their distress according to the report is that gas company officials told them only last summer that more than enough gas would be available.

Thursday about 3:15, Zannie Mae Littlejohn of Tryon was driving on McCown Street when the car slowly ran off the road and into the Oak Hall bank. She was slumped over the steering wheel. She was taken to St. Luke's Hospital where she was admitted. Friday morning she was reported as being in stable condition.

offering the highest rates possible to the depositors and in turn providing the ways and means to build, purchase or improve the home of our dreams. As the cost of money increased, of a necessity, the interest rates on loans went up. At the beginning of the year, the going mortgage rate was 9.50 percent. At year's end the rate had escalated to 11.50 percent. This made a difference of \$42.84 per month on a \$30,000 loan with term of 25 years. New homes being constructed tend to be: energy efficient, three bedrooms, two baths, electric heat pump, 1,400 square feet and cost \$27.50 to \$30
