Here's how it works.
Just bring in as little as \$5,000. We'll apply it towards a \$10,000 Money Market Certificate and make up the difference with a "share loan". Your nearest **1st STATE** office can give you all the simple details.

But what it boils down to is a combination of savings and a loan that makes your \$5,000 worth more than ever before.

Your net return will be big, and the more you invest, the more you'll make.

And when you open a Savers Edge Certificate Account, you'll even get the free book "How To Get More Miles Per Gallon". That could possibly save you \$250 in annual gas costs. Also, you qualify for the **1st STATE** Savers Club with many added benefits like Free Travelers Cheques, Merchant Discounts from 10-50% off and more.

Stop by the **1st STATE** office nearest you today and see how a Savers Edge Certificate can do innovative things for your money.
