

Receives Diplomas

In recent recognition ceremonies, six Polk County adults received adult high school diplomas after having completed the required courses in night classes sponsored by Isothermal Community College. Christine Searcy graduated from the Sunny View class, and Joanne Twitty, Christine Carson, Maxine Barker, Judith Smith, and Birdie Godlock finished at the Green Creek class.

"I'm extremely proud to have so many graduates at one time," said instructor Marvin Wagner. "They have completed a goal some of them had postponed for along time."

"It takes dedication", commented graduate Christine Searcy, "but there are so many people who could take advantage of this program. It's very convenient to have classes right here in the community."

Persons interested in learning to read or spell better or in studying for an adult high school diploma may enroll by coming to one of these classes: Green Creek School (Tues. and Th., 6:30 — 9:30 p.m.), Sunny View School (Tues. and Th. 6:00 — 9:00 p.m.), ICC's Polk Campus at old St. Luke's Hospital in Tryon (Mon. and Wed., 9:30 a.m. — noon, or Tues. and Th., 5:30—8:30 p.m.). For more information, call Linda Hankins at ICC in Spindale (286-3636) or Fay McIntyre at ICC in Tryon (859-6744).
