

...this year, make a resolution. Don't let another cent sit idle in an unprofitable checking account. From now on, every dollar earns interest.

What's more, First National makes it very easy to keep that resolution with our Money Maker/Checking account.

Money Maker/Checking is a very special combination of a checking and a savings account. One that earns 5% annual interest, compounded daily on your entire balance. And all the while, your money stays readily available for your daily checking needs.

The amazing part is that First National's Money Maker/Checking is so simple. Your money is deposited in a savings account. When you write a check, the exact amount is transferred to your checking account. Your savings balance continues to earn interest. Every dollar. Every day. It's that simple. One very simple statement that covers all your Money Maker/Checking needs. And you'll enjoy checking, free of service charges, along with the convenience of having your money available. You just maintain a minimum balance of \$1,000.

Visit your nearest First National branch. And let us show you how easy checking is. Put all your money to work earning 5% annual interest. Start your Money Maker/Checking account today. Turn your money into a very profitable decade ahead.

Your money earns 5% interest every day.
