### 40 Years Ago

Young Robert Barber, son of Mr. and Mrs. Ed Barber suffers a broken leg when hit by a sled on the school house road....Cold weather in Tryon as the thermometer drops to three above.... At the annual meeting of the Church of Holy Cross the following were elected to the Board of Vestrymen: F. P. Bacon, J. M. Baker Julian Calhoun, Harold Crandall, G. H. Holmes, Dr. A. J. Jervey, H. H. Parmelee, Major Bernard Sharp and Dr. Austin Woody.... A coat of ice covers Lake Lanier and a light snow falls on that.

### Bug Control

One of the Continuing Education classes at Isothermal Community College is "How to Attract Purple Martins" which will begin Feb. 5th and be taught by Harry Waters. Classes will meet from 6:30 to 7:30 p.m. each Tuesday for four weeks.

One purple martin will eat up to 30 pounds of flying insects in a season and a colony of martins will return to the same spot year after year. Martins are one of the best mosquito controls available.
