

### C. G. Williams

Carl G. Williams, 63, of Greer, S. C. died Monday after a long illness.

A native of Asheville, he was a son of the late Pascal U. and Sarah McDowell Williams. He was owner of C. G. Williams Plumbing, Heating and Air Conditioning Co. and was a member of Memorial United Methodist Church of Greer. He was a Scottish Rite Mason and a Shriner.

Survivors include his wife, Marie Morgan Williams; a brother H. E. Williams of Tryon and a sister, Mrs. John McIntosh of Columbus.

Services will be held today (Wed.) at 2 p.m. in Wood Mortuary in Greer. Burial will be in Hillcrest Memorial Gardens with Masonic graveside rites.

Memorials may be made to the Greenville County Cancer Society.

### Be A Valentine

Donate a pint of life saving blood when the Red Cross Bloodmobile is at the Holy Cross Episcopal Church Parish Hall in Tryon next Monday, February 18th from 12:30 to 5:30.

Blood contributed in Tryon goes primarily to St. Luke's Hospital and to doctors in this area. It could help assure the recovery of a sick or injured neighbor or friend.

The need for life saving blood remains high, but contributions have not increased with the rate of need, and the Red Cross hopes more people will participate next Monday.

In the past six months St. Luke's has used 591 pints of blood, a Red Cross spokesman said. In the same period donations by Tryon area residents have been only 414 pints, a critical shortfall unless the pace of donations increases. The Red Cross has stressed in promoting the Bloodmobile program the theme "What if you needed blood...and there wasn't any?"

"We are fast approaching that situation", the Red Cross warned.

Anyone who is more than 17 years old, weighs more than 110 lbs. and in good health can donate blood, the Red Cross said. Blood donors come from all age groups over 17 and from all areas of communities around Tryon. Students from the three high schools have participated and the Red Cross hopes that more will this time.

The process is easy. Simply come to the Parish Hall at your convenience next Monday between 12:30 and 5:30. You will be examined by a qualified nurse who will take your blood pressure, pulse and medical history. It takes only six to eight minutes to transfer a pint of your blood to the blood bank.

So be a happy, living Valentine and give blood, the Red Cross says.
