NOTICE

Docket No. G-5, Sub 155

**BEFORE THE
NORTH CAROLINA**

UTILITIES COMMISSION:

Public Service Company of North Carolina, Inc. has made application to the North Carolina Utilities Commission pursuant to the provisions of North Carolina General Statute 62-133 (f) and Order in Docket G-100, Sub 14 for adjustments in its rates and charges for natural gas service. Such adjustments increase the rates and charges by an amount equal to increases in the cost of natural gas purchased by Public Service Company of North Carolina, Inc. from its supplier, Transcontinental Gas Pipe Line Corporation, including related gross receipts tax amounting to \$.05212 per therm. This increase is proposed to become effective on March 20, 1980, subject to the review of the Commission to determine if said increase qualifies under said Section as being occasioned by an increase in the wholesale price of gas by Public Service Company's supplier.

This the 14th day of February, 1980.

BACK PAIN

It may be the Least of Your Troubles

FOR, as is your spine, so is your health. Never was there a more scientific FACT brought to the attention of the SICK world. Never was there a more important FACT for you to investigate to YOUR satisfaction and upon which YOU should act in ALL Matters of Sickness.

THE SPINE is the switchboard of the entire anatomical Structure and since nerves that supply ALL organs and minute parts of the body EMIT between the little bones or vertebrae of the SPINE, it is here ONLY the pressures upon these SPINAL segments. This is the PRIMARY CAUSE of many problems. The work of the scientific Chiropractor is to LOCATE and REMOVE these pressures so that sick folks can get well.

As we have solved the Health Problems for THOUSANDS OF OTHERS, we at the Kale Clinics just may have the very answer you have been looking for. Let us help you get well.

At The Kale Clinics Results Are What Count.
