

## Landrum and Culberson Address Rotary

The origin of the Polk County Community Foundation and its accomplishments to date will be reported to Rotarians at 12:45 p.m. Friday when they gather at the Pacolet River Plantation for a luncheon meeting.

The reporters will be Rotarians John G. Landrum, Jr., Chairman of the Foundation and Paul E. Culberson, Executive Director. The Foundation was formed in response to Community demand as confirmed by a questionnaire circulated through the area and is based on community needs. The Foundation receives money from members of the Community as gifts, administers the funds and makes distribution to Community activities-the Foundation itself is not engaged in any community activity. To date \$50,000 has been distributed.

The Rotary program will include slides illustrating the activities supported by these funds. Included among the beneficiaries are the Tryon Depot, John G. Landrum, Jr. Educational Fund, AFS Endowment Fund, Children's Theatre Festival, the Tryon Stairs, 4-H Youth Foundation, Boy Scouts, Landrum Recreation Commission and others.
