

Communication

The TV media reported this week about the firemen in Chicago being on strike for more money. There have been several fires there and a number of deaths since the strike began. These tragedies might have been avoid if.....! How thankful we should be in our area for the unselfish, devoted volunteer firemen who serve us. Tryon, Landrum, Campobello and Inman; also several surrounding Volunteer Fire Departments spend many hours each week in serving our area. We are fortunate, indeed, to have men willing to give of their time, talent, and energy...freely and willingly....without compensation! This is happening to us, while firemen elsewhere strike and stay away from their jobs because they want MORE money and our men get no money at all.

Our Hats Off To All Our Volunteer Firemen!!!!

Only 1 of Every 5 Physicians Smoke

More than 32 million Americans have successfully kicked the smoking habit. Well over half the physicians, dentists and pharmacists who once smoked have quit. Only 1 of every 5 physicians now smoke.

There is no longer a debate about the health hazards of cigarette smoking, according to the U. S. Department of Health, Education and Welfare. Health professionals agree that cigarette smoking is responsible for 325,000 premature or unnecessary deaths each year from cancer and other diseases of the lungs, heart, and circulatory system.

Two-thirds of the general population and more than a third of smokers find it annoying to be

Winning Jingle

Miss Heather Blomeley recently won a trip to Florida and a day at Disney World for her winning entry in a temperance jingle contest: "Kick the habit or kick the bucket; the choice is yours, and you can't duck it."

Heather, the daughter of Dr. and Mrs. Charles Blomeley of Columbus, is a freshman at Mt. Pisgah Academy, Candler, where

the contest was held.

Contest winners, temperance officers and faculty members from M.P.A. joined representatives from thirteen other Seventh-day Adventist boarding high schools at Forest Lake Academy in Orlando for three and a half days of temperance education and recreation.

Top awards at the conference went to Mt. Pisgah Academy for community services.
