BETTER**

**Jim Rutledge
Seminar Instructor**

Mr. Rutledge has a vast background and many years of experience in industry, academic, and church related communication programs. He is very knowledgeable of communication technique and skills that apply to business and personal development.

The ability one has to speak and listen is a God-Given talent, but few ever realize the Full benefit of this talent. The average person spends approximately 75% of their daily time in talking or listening. If you were to improve these skills by 10%, you would see immediate personal and professional improvement. Imagine what would result with a 25% or even 50% improvement. You will be equipped with the tools in this seminar to achieve these results.

In order to register for this seminar send a letter to Tryon United Methodist Church, P. O. Box 897, Tryon, N. C. 28782; indicate name(s) and which day you will attend; and enclose your check payable to the Church for Men's Club Seminar. The Registration deadline is March 14, and attendance will be limited.
