## Artists Are Invited

The Upstairs is extending an invitation to all artists working in the Polk County-Tryon vicinity to submit their work to its upcoming Polk County Artists Exhibition to be held during the month of April. It is hoped that this exhibition can encompass those artists working in other than a visual context as well as visual artists, and for that reason, invite performing artists to submit a written proposal for a performance to be held at some time during the exhibition.

All entries will be received at The Upstairs 117 South Trade Street, Tryon, on Wednesday and Thursday afternoon, April 2nd and 3rd., from one o'clock until 5:30 or by calling 859-5345 for an appointment.

This exhibition is being organized to give a forum to serious artists working in the area and to hopefully create a climate for the free exchange of ideas, the healthy dialogue among artists that is the sign of a true artists community.
