Weather Tuesday: high 68, low 43. Wednesday was cloudy.

The Presidential Primaries in New York and Connecticut Tuesday offered some surprises. In the Democratic race Senator Edward Kennedy upset President Carter in both states. In the Republican Primary, George Bush beat Ronald Reagan in Connecticut and Reagan won in New York. Beset by inflation and frustrated by the continuing Iranian crisis, Americans once more are showing their displeasure with the president, the latest Associated Press-NBC News poll says.

The first scientific evidence that nonsmokers can suffer lung damage from breathing other people's cigarette smoke has been reported by California researchers at the University of California in San Diego. Their finds are sure to add to the push of nonsmokers to have cigarette smoking banned in work places and public areas.

You may have noticed the white fire hydrants on Trade Street. The students at Tryon School are putting a primer coat paint on the hydrants and then will paint the little riders (of horses) on them.

This morning at 10 o'clock js

## Tryon Student Council

Every year students at Tryon High ask, "What does the Student Council do?" With the help of the Student Council Advisor, Philip Preston, President Joseph Fox has attempted to show that the Student Council takes on several projects during the year.

At the beginning of the school year, Pres. Fox met with his officers: Martha Brady, vice pres.; Melanie Butler, sec. and Jennifer Lashua, treas. to decide on projects for the year.

The first project was the updating of the school's rule to raise money. After that they had several "rent a kid" weekends where students in the student council donated a Saturday of work to raise money. Then the Council with the aid of Mr. and Mrs. Henry Meares worked the "Boo House" at the PTA's Halloween Carnival. Next they moved on to fix bags of fruit and candy for the teachers at Tryon High School during the Christmas season. During the Valentine season the Council sent heart shaped cookies to the teachers. The council held a disco dance on February 29th and plan to help in the community clean-up on March 29th. They will clean the area around the High School, Elementary School and the highway which connects the two schools. Funds have also been raised for a trophy case which is being built under the leadership of Philip Pleasants of the Industrial Arts Department. Not all of the Council's projects
