## Dear Tryon Toymaker Supporters

Tryon Toymakers is very pleased and excited to announce that Blue Ridge Weavers will now carry our complete line of Traditional Tryon Toys. In order to supply your enthusiastic demand for our toys we find it necessary to move our workshop home. Operating the shop has left precious little time for actual toymaking.

We will miss the personal contact with you on Trade Street. We hope this move will allow us greater concentration toward our goals of toymaking.

Blue Ridge Weavers will be our exclusive representative in Tryon and will display our Traditional Tryon Toys in a special corner on the second floor. Please come by and see our things.

And Thank You all for your continued support.

## Red Cross Extends Fund Drive

From the canvasser kick-off breakfast re-scheduled from March 3 to March 10, the Polk County Red Cross annual Fund Drive has been plagued by foul weather.

As a result, chapter chairman Richard E. Weiss has announced an extension of the drive for canvasser clean-up of contacts and reports.

"In over 30 years of doing house-to-house canvassing of Polk County residents, veteran observers don't recall such continuing weather problems," Weiss stated.

Red Cross is well over the half-way mark of its \$14,300 goal for 1980. However, some remaining fifty canvassers have been "fighting the weather" to turn in over-due reports.

If a canvasser has not yet asked you to "Help Keep Red Cross Ready", call the Red Cross office 859-9362 and arrangements will be made to collect your contribution.

## Accepting Work For Polk County Artists

The Upstairs will be accepting work for its Polk County Artists exhibition, on Wednesday and Thursday afternoon April 2 and 3 from one o'clock until five o'clock.

Visual artists are requested to submit a maximum of four works. All work submitted should be ready to hang or install. Performance artists are reminded that their proposals should be written or typed and submitted the same afternoons as visual artists.

This exhibit is being organized to give a forum to serious artists working in our vicinity, no matter what the medium or discipline. There will be an opening reception on Friday, April 4 from 6:30 until 8:30, and the public is invited.
