Communication

Landrum Dog Ordinance proponents, please be present at the next City Council meeting to help correct some erroneous statements made by opponents. It is obvious that sentiments run overwhelmingly in favor to control our dog population. Those in doubt should read the Spartanburg County Dog Law thoroughly in which it clearly states that State Law does not permit a dog to run at large. To those in favor of dog control, who have not had the opportunity to sign the petition, kindly contact anyone of the Committee who will get in touch personally. At present there are 420 signatures.
