animal, raising the possibility of treating genetic diseases by gene substitution, scientists announced Thursday.

Tonight the Tryon Town Council meets at 7:30, the Tryon School Board meets at 7:30 and the Polk County School Board meets at 8 o'clock.

The Interagency Council met last Thursday and had an informal discussion about Recreation in this area. Most members seemed to agree that a paid professional Recreational Worker should be hired to co-ordinate the various recreational facilities already in the area and to work with leaders in each community.

County Winner

Michelle Clary

Pictured above is Michelle Clary, daughter of Mr. and Mrs. Arnold Clary of Green Creek. Michelle, a fourth grader at Green Creek was The County 4-H Winner in Traffic Safety Poster. She will compete in the State Poster Contest. She won a Bike Tool Kit as her prize.

The sun, the star nearest the Earth, is only an average-size star, yet it is large enough to hold about 1,300,000 Earths, National Geographic World magazine says.

Ireland owes its reputation as the "Emerald Isle" to widespread deposits of limestone. The mineral-rich rock nourishes the sod from below, while abundant fains water it from above to produce the land's distinctive coloration, the National Geographic Society says.

SECOND YEAR FOR TRYON R.I.F. PROJECT

Continued From Page One

program will begin April 14 at the Church of The Good Shepherd.

Children from Polk County Child Development Center will come to the programs on Mondays where Mrs. Esther Robinson will be the director of R.I.F. activities. On Tuesdays, the Stony Knoll Child Development Center will bring their children to the center for the book program where Mrs. Lenora Johnson will be the director, along with a team of volunteers. R.I.F. Volunteers will visit the Kindergarten and First Grade Classes each Thursday at Tryon Elementary School to read books with the children and books will be distributed monthly.

Reading Is Fundamental, Inc. (RIF) is a national, non-profit organization designed to motivate children to read by giving them the opportunity to choose and to own books. The local RIF Project is sponsored jointly by the Church of the Good Shepherd and the Tryon Community Schools Project.

The Church Women United have chosen the R.I.F. Program once again as one of the projects for their organization. Volunteers from this group spend one hour a week reading with children.

Persons interested in joining the R.I.F. Project as a volunteer should call the Tryon Community Schools Office at 859-5428. Contributions may be sent to the R.I.F. Project in care of the Reverend Ralph Bonaker, 1501 Highway 176 N., Tryon, N. C. 28782
