the Economic Emergency (EE) program through the remainder of this year and the next fiscal year as well. Although the EE program was not due to end until May 15, the program was just about out of funds when the President signed the bill on March 30.

The EE program provides direct or guaranteed loans to farmers and ranchers who suffer economic hardship because of area or national economic

conditions beyond their control. FmHA provided approximately \$97 million in economic emergency assistance to North Carolina farmers last year.
