## Free Check-Ups

High blood pressure and diabetes can be very deceptive, that is why we are bringing a health van for free check-ups to the residents of this area," said Leonard F. Bohner, director of the local Seventh-day Adventist Community Svices.

A person may have a very high blood pressure of severe diabetes without any noticeable symptoms, that is why undetected and untreated they can be killers," continued Bohner. He added, "the few minutes these free painless tests take may save a prolong your life."

For those attending the Polk County Health Fair the tests will be available from nine in the morning until eight at night.

For those unable to attend the Fair the tests will be given in Landrum, at the Community Cash parking lot on Wednesday, April 23, from nine to five.

On Thursday, April 24, the health van will be at the Tryon Plaza, from nine to five.

Those wishing the diabetes test should bring a urine specimen.

## SPRINGTIME

By Ettie Johnson  
Winter gone, spring is here,  
March wind blowing,  
April flowers showing,  
Mother earth so warm and green,  
Blue heaven starry scene,  
Weeping willow its head so low,  
Birds that sing come and go,  
Winds whistle all night through,  
A warm morning say, I am here  
with you.
