**One Hundred Years Young**

1976 saw an architect's dream come true upon  
conversion of this 100 yr. old barn into a unique,  
quality constructed home. The brick floored foyer  
leads to the 20x30 living room with exposed  
beams and stone fireplace. Large, fully equipped  
eat-in kitchen and bar open onto the patio and  
swimming pool. Also on the main level are a  
dining room, 4 bedrooms, study and 2 baths. The  
lower level is a separate guest or rentable apart-  
ment, which retains much of the original stone  
work. Large living-dining room with fireplace, fully  
equipped kitchen, 2 bedrooms, office, 2 1/2 baths,  
and private walled garden.
