

THANK YOU

I would like to thank Dr. Vosburgh, St. Luke's staff of nurses and respiratory therapist for their kindness and good care while being a patient in the hospital. Also food service for the delicious meals. I too would like to thank my friends for the beautiful cards, flowers, gifts, phone calls, visits, and prayers and the many other kind deeds that you did for me during my illness.

A sincere thank you,
Olive Jones

COMMUNICATION

I do not fire guns on Payne St. I still have respect for the law of our land, if we can still call it ours with all the infiltration and neglect of the Americans. If necessary you would hear a shot, and speaking of a shot it is high time someone fired another shot that would again be heard around the world.
