## Boy Scout Campaign Exceeds \$1,000,000

The Boy Scout Camp Development Campaign for \$1,499,700 to build a New Camp in Rutherford County has exceeded \$1,000,000 in pledges with a total of \$1,059,942.99 pledged to date.

Ken Younger, President of Carolina Freight Carriers Corporation and General Chairman for the Campaign stated, "I am extremely pleased with the progress of the Campaign. We have raised 71 percent of our goal on only 30 percent of our prospects. We have a lot of prospects not finalized, however, when we receive a pledge within the next few weeks from these companies and individuals we can reach our objective."

Volunteer Scout Leaders throughout the Piedmont Council are extremely excited over the potential of this New Camp and what it will mean to the Scouting Program, by providing year-round camping facilities that will be used on week-ends by Cub

Scouts, Boy Scouts and Explorers throughout the year. We estimate there will be an annual utilization of the facilities of between eight to ten thousand young people.

If a volunteer has not called on you to date and you would like to participate in our Campaign, please call the Boy Scout Service Center in Gastonia, 704-864-2694.
