GRILLED TURKEY

By Julie Bender, NCSU

If your family enjoys turkey cooked on an outdoor covered grill, try these suggestions from NCSU agricultural extension specialists to give the turkey some added distinction.

For a hickory-smoked flavor, sprinkle a half cup of dampened hickory chips over the coals during the last half hour of cooking.

Of, for a bit of flair, brush the turkey with a favorite barbeque sauce during the last half hour of cooking. This will give the turkey added flavor and gloss.
