No official weather report for Thursday. Friday morning was delightful.

President Carter left Thursday on an eight-day European trip aimed at restoring unity to a Western alliance.

Water tables are dropping across parched and thirsty Texas, and scientists fear the state may be in the first stages of the kind of extended drought that comes about every two decades.

The Red Cross Bloodmobile will be at the Episcopal Church in Tryon TODAY from 12:30 to 5:30 p.m.

Several of our readers have complained about the new hours that will be put into effect at the landfill effective August 1st. They say that if you work the first shift it is almost impossible to take trash to the landfill. The new hours will be 9 a.m. to 4 p.m. Monday through Friday and 9 a.m. to 12 noon Saturday.

## Little League Ends June 28th

The regular season of the Polk County Little League ends Saturday, June 28th. At this time the trophies will be presented and the Polk County All-Star team will be named.

## Today is the Day

Today is the day to visit the Parish Hall of the Episcopal Church in Tryon to donate a pint of blood to the Red Cross Bloodmobile. The Bloodmobile will be there from 12:30 p.m. to 5:30 and the process takes only a few minutes. The satisfaction that you have helped save the life of a neighbor or other friend will stay with you for a long time to come. So take a few minutes out of your Monday schedule and be a good Samaritan. — Reporter
