Were you counted for the census for the Town of Tryon? If you were not counted for the 1980 census, either you did not receive a census form or you did not have a census representative visit your household. It is important to the Town of Tryon (and to other local municipalities) that all persons within the city limits be counted. Federal and State programs available to municipalities and also counties are based upon these population figures. For more information and forms contact the Tryon Town Hall if you feel that you were not counted.

## Clouds Buy The Daniel Co.

Mr. and Mrs. Russell Cloud of Tryon have bought The Daniel Co. in Landrum from A. Floyd Daniel. The sale was effective August 1st.

The Daniel Co. was the first permanent store in Landrum and was established in 1894 by Charles Hampton Daniel and his brother-in-law, Frank Ezell. The store was located then near the present depot. For many years it was a general store selling almost everything. Mr. Daniel bought Mr. Ezell's interest and in 1914 moved to the present location and took into partnership his brother, Noah H. Daniel. Daniel Bros. continued as a general store. Charles Daniel passed away in 1928 and his widow bought the interest of Noah H. Daniel and operated the business until joined by her son, A. Floyd Daniel. Mrs. Daniel died in 1962. It is now a modern ready-to-wear clothing and shoe store.

Mr. and Mrs. Cloud stated that they plan to continue the operation as it is now and will add new lines which they feel are needed for this area. The Clouds stated that they look forward to serving Polk County and upper Spartanburg and Greenville counties. The Clouds moved to Tryon in January of 1960 and have been active in many community activities.
