No official weather report for Tuesday, but it was warm. Wednesday morning was cooler with some showers early in the morning.

The League of Women Voters decided Tuesday to include independent candidate John Anderson in the presidential debates between President Carter and Ronald Reagan. Anderson and Reagan promptly accepted the league's invitation. But Robert Strauss, the Carter campaign chairman, said the president would debate "any and all candidates that Governor Reagan and the League of Women Voters can suggest if Governor Reagan will first meet the president in a one-on-one debate."

A note from Mrs. Ruth Douwsma reports that the women of Mill Creek Church of the Brethren hope to have a chicken supper later in the year, but that on Oct. 4th they are having a bazaar with many homemade goodies and gift items. They usually have a chicken supper at this time and she said that many people had been asking when it would take place.

On Dean's List

A total of 66 students earned Dean's List honors during summer quarter studies at Isothermal Community College. At the top of the Dean's List were 27 students who earned 4.0 records (straight A's). Making straight A's were Emma Wilson of Lynn; Jackie Marlene Nelon of Mill Spring; Cynthia Diana McEntyre, Tryon. Those who earned a 3.25 average or better included Ruth Anne Mason of Campobello; Tammy J. Rhymer of Columbus; Shirley Parson Linnins of Mill Spring.

Dr. and Mrs. Mark Caldwell of Spartanburg are at their home in Tryon.

Communication

Schools develop personalities all their own. As schools move through various stages of development one type of leadership style in the principalship may prove to be more appropriate than another if the school is to come close to achieving its maximum potential. One of my responsibilities as superintendent is to determine what type of leadership is most appropriate in any given situation at any given time, always looking at what's best overall for the school system. I believe that the primary skills that Carthon Hinson and Alan Peoples bring into the principalship can best be utilized by the Polk County Schools if a lateral transfer is effected thereby moving Mr. Hinson from Mill Spring to Stearns and Mr. Peoples from Stearns to Mill Spring.

I realize also that I have the legal responsibility to assign and reassign all school personnel but I would like to have formal board acceptance of these transfers to be made effective immediately. I will work out the administrative details of the transfers and see to it that each man is appropriately introduced to the respective faculties.

Dr. Larry D. Coble,
Superintendent
Polk County Public Schools

Steve Henson of Tryon has entered USC at Spartanburg where he is a freshman.

Woman Of The Year Award To Be Given

The Thermal Belt Business and Professional Woman's Club is observing National Business Women's Week, October 19-25, with a "Woman-of-the-Year" special award to be given to the individual in the community who is nominated and who receives the greatest number of votes.

Everyone in the community is urged to submit the name of the lady who in their mind, deserves recognition but who has received little or no public recognition — someone who has excelled in her field of employment and who has participated in church and community activities.

The lady who receives the most votes will be acclaimed "Woman-of-the-Year." The five runners-up will be recognized as "Woman-of-the-Day", to be announced each day, October 19-25.

Please submit your name to Aileen Page, Box 1306, Tryon, N. C. Deadline for nominations is September 18.

Awarded Assistantship

Susan Leonard, of Tryon, has been awarded a research assistantship with the psychology department at Western Carolina University, where she is currently a Master's candidate in Clinic Psychology.

Mrs. Morgan Morris of Tryon had as her guest Saturday, her son, Phil, of Charlotte.
