## Telephone Co. Objects To Tax

The Landrum City Council met Tuesday night at the City Hall.

Jerry Covil, manager of Mid-Carolina Telephone Co. which serves Landrum, spoke against the proposed 1% gross tax. He stated that it would cost the company 1½% to get the 1% and that this would all have to be passed on to the consumer. The Council passed the second reading of the measure but asked that Mr. Covil be present at a special meeting on Sept. 23rd with a counter proposal.

The Council passed three readings on ordinances to refinance the Farmers Home Administration loan for water and sewer systems. First reading approval was given to refinancing \$1,266,402.49 revenue bond; approved first reading on the rates and regulations and first reading on the city budget ordinance and tax levy ordinances.

The total general fund budget will be \$183,584 which will require a 75 mill tax. (same as last year). The estimated expenditure for the General Fund is \$183,966.72. The water works revenue is estimated at \$230,750 and the estimated expenses are \$213,588.

The estimated revenue sharing of \$31,264 is to be spent for the following: part on General Fund, part on new vehicle, part on new shed at park, part on new police car and part on the new

## Football Tonight

### NCSA at Tryon

The Tryon Tigers open their season tonight at 7:30 p.m. at Harmon Field when the North Carolina School for the Deaf comes calling. Tryon's Coach Mike Pearson hopes the Tigers are ready for the Bears who already have one win under their belt. We believe the Tigers can pull it off.

### Polk Central at Landrum

The Polk Central Patriots will be seeking their second win in a row against the Landrum Cardinals tonight at 8 o'clock at Landrum. After dropping their opening game to Mitchell, the Patriots upset Chesnee 14 to 13 last week. Landrum dropped its opening game to Chapman 28 to 0. Both teams have hard hitting defenses, but have had trouble moving the ball. Polk Central seems to have more of a threat in the air so we'll pick the Patriots in a close one.

## Music In The Church

Joseph Erwin, Congregational Church of Christ Minister of Music assisted by his wife, Kathleen will present a program on this subject at the Women's Fellowship Meeting, September 15 at 1:30 p.m. Visitors are welcome.

## Farm Disaster Emergency Loans Authorized In Polk

Farmers in Polk County are eligible for disaster emergency loans from the Farmers Home Administration (FmHA) to recover from losses caused by the severe drought and extreme temperatures that have occurred in much of North Carolina since June 1, 1980.

Loans must be based on substantial losses resulting from these weather conditions. County Supervisor Charles M. Huskey of the FmHA County Office in Rutherfordton which serves Polk County, said damage assessments show significant losses on a substantial number of farm in the county.

Charles M. Huskey announced that applications for loans based on this disaster will be accepted until June 1, 1981, at the FmHA County Office located at 121 S. Main St., Rutherfordton, N. C., and at the County Office in Columbus, N. C., located on West Ward Street. Office hours in Columbus are Tuesdays of each week, 10:00 a.m. until 12:00 noon.

Disaster emergency credit by law is provided to recognized farmers who work at and rely on farming for a substantial part of their living. Eligibility is extended to individual farmers who are U. S. citizens, and to farming partnerships, corporations, and cooperatives in which U. S. citizens hold a majority interest.
