

World Service Appeal

This fall marks the 72nd annual World Service Appeal of the Seventh-day Adventist Church.

Funds contributed during the World Service Appeal (also referred to as "Ingathering") helped to make possible the church's physical, educational and spiritual aid in 190 countries during 1979. On a worldwide basis, more than 9.5 million people received help last year. The Ingathering campaign provides about 10 percent of the total Budget for the Adventist world welfare programs.

The 3-million-member denom-

ination operates 142 hospitals and sanitariums and 282 dispensaries and clinics, which treated over 5 million persons in 1979. Adventists support a school system enrolling 483,363 students. Their 50 publishing houses publish literature in 203 languages and dialects.

The local church operates a Community Service Center in the basement of the Columbus Medical-Dental Offices for the collection of distribution of clothing. Leader Ralph Cash states that about 1,000 items have been given out locally thus far this year, and several tons have

been shipped to a New York warehouse for shipment to disaster areas.

Members of the Tryon church will be contacting residents of the area in behalf of this humanitarian work, but it will be impossible to reach everyone. Anyone who is not contacted and wishes to help is asked to send his contribution to the church treasurer, Mrs. Frank Carruth, 105 South Randolph St., Landrum, S. C. 29356. Contributions are tax deductible.
