Red Cross CPR Gains Momentum

The Red Cross program to train at least 100 persons in resuscitation (CPR) in Polk County before the start of the national Red Cross centennial year, 1981, appears to be well underway, according to the local chapter.

Widespread interest has been demonstrated in this lifesaving procedure for victims of heart attack, stroke or internal bleeding. First classes have gotten under way with full registration and more classes are scheduled. The calendar of events has shaped up as follows:

Sept. 19th CPR demonstration before Tryon Rotary Club.

22nd and 24th, CPR class for adults at Tryon High School, 6 p.m. - 10 p.m.

23rd and 25th, Second adult class at Tryon High School, 6 p.m. - 10 p.m.

30th, CPR demonstration before Tryon Kiwanis Club.

30th and Oct. 1, Tryon United Methodist Church for women's group 9 a.m. - 1 p.m.

30, Oct. 2 and 7, CPR class for Tryon School faculty, 6:30 - 9:30 p.m.

Oct. 9, "Race for Life" (modified course) for Tryon High School students 8:30 a.m. to 12:30 p.m.

Nov. 5 and 12, CPR class for 4-H Club members at 4-H Center, Columbus, 9 a.m. to 1 p.m.

Advance registration for courses is required, together with payment of \$3.30 for class materials. All organizations or individuals wishing to join in this program should contact the Red Cross at Tryon Depot on Monday, Tuesday and Friday mornings or any of the following members of the Safety Services Committee: Marvin Arledge, chairman; Mrs. E. W. (Barbara) Russell, Douglas Roach, Joe Wray, Jack Campell, Louis Pettit, Dr. Fred Wier, Steve Page, Henry Meares and Elizabeth Correll.

Paying \$15 each for pre-1936 U. S. Silver Dollars. Paying high prices for other U. S. Coins. Call 704-692-8896 after five. adv. 19, 22, -oct. 2 pd.

The Fireplace Alternative Master's Choice

Energy-efficient Economical Incomparable

The new Master's Choice woodstove combines all the charm of a fireplace with superior woodburning technology

Dual combustion chambers, patented hot air baffles and a unique three-position draft control make the Master's Choice over 80% efficient, while the fireplace is less than 10% efficient

As an insert, it makes your fireplace more efficient. As a parlor stove, it makes the fireplace obsolete.

Master's Choice...the fireplace alternative.
