

Delta Kappa Gamma Communication

The Gamma Beta Chapter of Delta Kappa Society International met Saturday, October 4, at "Melody Falls", the home of Mrs. Doris Lackey. Thirty-three members were present from Forest City, Rutherfordton and Polk County.

President Betty Jo Carpenter introduced the program with a memorial for a deceased member, Margaret Padgett presented by Pauline Pannell. The program encompassed a series of book reviews and a film entitled "Toward the Future" presented by past presidents of the Chapter: Viola Young, Princa Moore, Odessa Cooper, Amelia Wilkie and Elizabeth Correll. The theme for the year's program is "Women Teachers: Architects of the Future."

Part of the business matters considered and approved concerned awards to honor Delta Kappa Gamma members who have made outstanding contributions to education in North Carolina.

A new member, Betty van Buskirk, who transferred from her Chapter in Connecticut to Gamma Beta upon moving to Tryon, was welcomed into the group.

Polk County hostesses who with Doris Lackey served lunch to the group were Margaret Swann, Shirley Nisbel, Carolyn Brady, Betty Brewer, Avanell Haney and Elizabeth Correll

Nancy McKa Is Autumn Princess

Nancy McKaig won Autumn Princess Title for the second year in a row Saturday during Drum Majorettes of America competition at Lenoir, N. C. The title qualifies Nancy to compete at 1981 Nationals in Greensboro. She is the daughter of Mr. and Mrs. Bill McKaig.

Nancy competed in 11 events finishing 1st or 2nd in each event. She finished first in Queen for the Day, Advanced Military, Advanced Fancy Strutting, Intermediate Solo, Intermediate Advanced Solo, Open Basic, Best Appearing Fancy, Intermediate Fancy Strutting. Nancy is a member of the Twirling Spartanettes and her instructor is JoAnn Fogle of Spartanburg.

To the Editor:

We were utterly amazed to read the fabulous claims Mrs. Sauve' made last week in The Thermal Belt News about the progress made in Polk County under her leadership. It would have been more accurate if she had stated that progress was made in spite of her leadership. This is true for several areas in which she and her fellow commissioner tried to dominate activities.

Our Governor, Jim Hunt, and the group of local citizens who were promoting the Industrial Park are the ones responsible for the Wheaton Plant being located in Polk County. Mrs. Sauve' and her group agreed to very limited involvement only after it became apparent that Wheaton would not abandon the plant it had built.

Governor Hunt responded to a flood of requests for help from both Democrats and Republicans who were concerned about the opposition of our County Government. We want to thank our Governor, Wheaton Management and all those citizens involved for their understanding and determination.

We have asked a committee of citizens to objectively research and publish some of the details of this progress and leadership claimed by Mrs. Sauve', so that all citizens will have a clearer understanding of the type of leadership we have had during almost two years of disruption and confusion. We hope it will be published this week.

Sincerely,
Hubert McEntyre
B. H. Ruff
