Polk Central 41-0

The Cherokee Braves defeated the Polk Central Patriots 41-0 Friday night at Cherokee.

Mark Grant rushed for 104 yards and scored 3 touchdowns in 12 carries. He scored twice in the second quarter, once on a 6-yd. sprint and again on a Patriot fumble which he ran 19 yards. He scored in the 4th quarter on a screen pass from Lumpy Lamber that was good for 21 yards.

Cherokee's other 1st half scores came on a short pass from Pepper Taylor to Lumpy Lambert and a blocked punt which Bugger Arch recovered in the end zone.

Horace Arch scored in the second half on a 5 yard run.

Polk Central Coach Ken Brumley didn't think the Patriots played well, especially the offensive unity. He thought that Randy McDaniel had a good game at safety with two interceptions and several key tackles. He said that Robert Lynch had another good game at middle linebacker.

The Patriots are now 1-4-1. This Friday Edneyville comes to Polk Central for Homecoming.

At Toyota, for example, workers make an average of 9 suggestions per year. At GM, only one per year.

Most important, says Professor Cole, Japanese management and labor view each other as partners; American management and labor too often view each other as adversaries.

And that, he says, is too bad. We agree. With international competition the greatest ever, improving the partnership between management and labor is going to be a major need for reviving American industry. — WRAL-TV Editorial

Japanese Productivity

Do the Japanese know something about productivity that we don't?

Congress is seeking an answer. A House committee has held hearings with such experts as University of Michigan Professor Robert E. Cole.

He pointed out that the difference in attitude between American and Japanese manufacturers and workers.

Americans, he says, try to make machines fool proof; the Japanese concentrate on making workers conscious of quality control.
