**WANTED: Foster Care  
for Orphan Dogs**

Help. That's what we're asking for. Not for  
ourselves, but for the hundreds upon hundreds of  
homeless dogs wandering around Polk County.  
We want to give at least some of them a chance. At  
survival. At doing what a dog does best — loving.

By opening your home and heart to a temporary  
canine visitor you can make the difference  
between complete waste and happy productivity.  
You don't need much — just a place, most any  
place will do, and some extra kindness. In fact, if  
you've got room somewhere, we'll bring a team of  
volunteers and put up a dog run for you.

The Society will supply all dog food and will pay  
for any needed veterinary care.

So, give the homeless a chance. Become a  
"Halfway House." It can be one of the most  
rewarding things you've done.
