

WE'RE OPENING ON AN HISTORICAL NOTE

Eight historical notes, to be exact.

In honor of the opening of our new Tryon office, First Federal Savings and Loan commissioned this series of drawings as a very special gift for our new Polk County customers. We've included "The Meeting Place," a fortress-like structure with 18" thick walls; the "Mimosa Inn" (only the casino remains today); the "Polk County Courthouse," an impressive example of Greek Revival; and the "Oak Hall Hotel," frequented by such guests as Henry Ford and F. Scott Fitzgerald.

A box of eight cards, with matching envelopes are yours free,* just for stopping by our new office this week during our grand opening celebration.

First Federal Savings and Loan has been helping our Western North Carolina neighbors for almost 50 years. Now we can offer you services never before available in this area.

Come meet our friendly staff, celebrate our grand opening, and walk away with a page of history.
