

### Radiology Class

The Tryon Fire Department will have a class on Radiology Wednesday at 7 p.m. at the Fire Department. Howard Williams will be the instructor. Mr. Williams has completed a course in radioactive materials and the use of radiation detectors. He has trained in emergency medical training and the Polk County Rescue Squad. Mr. Williams has been active in the Tryon Boosters Club and has made and repaired training equipment for the football team and worked at the football camp for a number of years. He is employed at Dupont in Brevard.

Clarence Scoggins, Tryon Fire Chief said that firemen are required by the State to have 36 hours of training each year to keep their high rating. He stated that the local firemen had more than 80 hours of training this year and that they were a dedicated group who were interested in serving their community.
