Weather Thursday: high 63, low 42. Friday was a beautiful sunny fall day.

Encouraged by support from President-elect Ronald Reagan, Sen. Bob Dole said Thursday he and other senators will push for quick passage of a \$39.8 billion tax cut when Congress reconvenes next week. The Kansas Republican will become chairman of the Finance Committee in January.

The nation's banks Thursday raised their prime lending rates by one full percentage point to 15.5% in the biggest one-day increase in more than a year.

Jack Lee, chairman of the N. C. Republican Party and Sen. Jesse Helms are trying to decide how to handle the patronage. Lee said his office had been swamped with calls from Republicans wanting to be considered for federal jobs ranging from U. S. attorney's to officials of the Agricultural Stabilization and Conservation Service, some of whose employees are political appointees.

The Tryon Town Council will meet tonight at 7:30 at the Tryon Town Hall. The Cystic Fibrosis Bike-A-Thon winners will be presented 10-speed bicycles.
