Pen Day — It's Going to the Dogs Saturday, November 15

If you can hammer, stretch wire, measure, or coach from the sidelines, you can help a homeless dog. Because this Saturday, friends of the Polk County Animal Protection Society will be building dog pens at several sites throughout the county. We've got a few volunteers already, but we need more. If you can spare a few worth-while hours as a pen-builder this Saturday, call one of the numbers listed below. Of if you have any dog wire, 8-foot posts, lumber or dog houses you'd like to donate, or if you have a pick-up truck we can use, please let us know. Help make Polk County as wonderful a place for pets as it is for people.
