### Save Time, Energy, In Sophisticated Comfort

Conveniently located, yet secluded and protected on 10 acres, this charming new brick home is practically maintenance free and energy efficient with maximum insulation, Thermopane windows, and heat pump.

The house has been handcrafted with the highest quality construction to include custom made cabinets, closets, fireplace, and bathroom fixtures. In addition to the usual amenities found with a gracious home, there are such extras as a family room, sun room, huge double garage with remote control door, and a large office which could also be a third bedroom or child's room.

The acreage is income-producing in that it includes a three area hayfield or could easily be divided into a second homesite.

Priced as follows:

House and 3 acres at \$120,000

House and 5 acres \$125,000

Five additional acres (to make a total of 10 acres) available at \$3,000 per acre. (MLS No. 438)
