

To Talk

On Spacemobile

Dr. Harry Herzer, presently with the "Spacemobile" program at the Aerospace Education Services Project, will discuss this program at the Landrum Branch Library on Tuesday, December 2nd at 7:30 p.m. A display of objects and literature will be available to aid in the talk.

Dr. Herzer is a member of many scientific and professional organizations including National Science Teachers Association, American Association for the Advancement of Science and others. His honors and awards include several from the American Chemical Society, of which he is a member, and the National Science Foundation.

A native of Kansas, Dr. Herzer finds time for many interesting hobbies and collects anything

from stamps to beer cans. He is married and has one son. This talk is given in conjunction with the space program being sponsored by O.P. Earle school and the public is invited.

Women's Club Christmas Party

The Thermal Belt Business and Professional Women's Club will hold its monthly dinner meeting Thursday, Dec. 4 at 7 pm. at the Pacolet River Plantation.

Instead of the regular business meeting, the annual Christmas party will take place. Those wishing to bring gifts for their "secret sisters" may do so.

Members who are unable to attend are asked to call one of the officers to cancel reservations by Mon. Dec. 1.
