TUESDAY, DEC. 9, 1980

Price 10c Per Cop.

No official weather report for the weekend, but it was like spring. Monday was more of the same.

Sunday, Dec. 7th passed quietly. Those of us who were around 39 years ago still remember where we were at the time the Japanese attacked Pearl Harbor and plunged the United States into WW II.

President Carter conferred Sunday with the National Security Council over the Polish crisis, and a White House official said Soviet intervention in Poland "could take place because preparations for it are completed."

Arnold Palmer sank a 7-foot birdie putt on the first extra hole Sunday to defeat Paul Harney and won the 42nd PGA National Senior Championship at North Miami, Fla.

The Tip-Off Tournament held Friday and Saturday at the Landrum High School gymnasium was very successful. It involved Polk Central, Tryon and Chesnee in addition to Landrum. The facilities at Landrum are excellent. It lasted a little late for some of us, but it was a well run tournament.

Fires

The Tryon Volunteer Fire Department was called to two fires over the weekend. Saturday night about 9 o'clock there was a brush fire between the homes of Mrs. Clarence Rhodes and Ed Tucker near Lynn. The fire jumped across the road, but the firemen put it out before it could go into the Wilderness Road area.

Sunday at 12:30 p.m. the firemen were called to the home of Mr. and Mrs. Doug Thompson in Pacolet Valley. The firemen had difficulty finding the fire due to the dense smoke. The only area burned was a bird cage on a counter top, but the house had extensive smoke damage. The Thompsons were not at home at the time of the fire.
