

## F.H.A. At Tryon

Tryon High School is sponsoring a new club organization this year entitled, Future Homemakers of America. Any high school student, boy or girl, previously or currently enrolled in a home economics course is eligible for membership. Future Homemakers of America is a national and state organization sponsored by the American Home Economics Association and the Home Economics Educational Staff of the U. S. Office Education. Elected representatives, students as well as adults, determine policies and procedures at the National, State and local level.

The goals are to promote leadership, responsibility, respect and self-development among members; assist and promote beneficial services to the community and school; provide opportunities for decision-making; promote understanding between youth and adults; and to develop interest in Home Economics and related occupations.

Presently the Tryon Chapter is selling Christmas wrapping paper and silk-screen Christmas ornaments with the goal of attending the State Convention in Raleigh. From this trip, chapter members will learn more about the structure and potential of the FHA organization.

The officers of the Tryon Chapter are Cathy Rardin-President, Marion Rardin-Vice

President, Lisa Bradley-Treasurer, Mark Boothe-Public Relations. Other members are Pam Hipp, Tammy Hill, Denise Blackwell, Laura Rardin, Tammy Walker, Cindy Walker, Kim Ford, Jane Schairer, Pam Moffitt and Donna Bradshaw.

The agenda for the year includes visiting speakers and trips. As a member of the community, you may have suggestions of projects or speakers from whom FHA may benefit. If you have any such suggestions, please contact the Home Economics teacher, Miss Sink, at Tryon High School. Also if you are interested in helping with their fund raising project of wrapping paper, please contact Miss Sink after 3:00.
