Over T Thought Our M

Suddenly,

Naturally, good ideas have a way of catching on. 21,157 South Carolinians opened accounts at First National Bank in just two years.

But frankly, we're overwhelmed by our success. Seems all of them, banks and savings & loans, have their own versions of Money Maker Checking. That's no small task.

You see, First National Bank has already shown interest to Money Maker Checking customers all along on the money they spend every day on utility bills, groceries, you name it. And even though Money Maker Check
