we made it simple from the start. With a monthly statement that shows
you at a glance the money you've earned on the money you've spent.

And with First National's Money Express teller machines. Money
Maker customers can do almost any kind of banking, just about anywhere
in the state. Anytime day or night.

That's in addition to the convenience of First National's statewide
network of full-service branches.

So if you're interested in Money Maker Checking, come to First
National Bank. And follow the leader. Instead of the followers.
