Nurse Refresher Course Planned

A refresher course for inactive registered nurses who wish to update their skills and credentials in order to reenter the nursing profession is being planned for spring.

The course is designed to enable inactive registered nurses to learn and update nursing knowledge and skills related to planning and providing nursing care to patients with medical and surgical conditions.

The course will require four days of combined classroom instruction and clinical work each week for eleven weeks. If enough inactive nurses in the Hendersonville area register for the course, their clinical phase of training will be held at Pardee Hospital.

Anyone interested in obtaining more information about the program may call the Mountain Area Health Education Center, Department of Nursing, Asheville, N. C. 1-285-0881. Inquiries should be made before February 4, 1981.
