Morgan Completes Recruit Training

Marine Pvt. Anthony R. Morgan, son of Roy L. and Bobby J. Morgan of Saluda, N. C., has completed recruit training at the Marine Corps Recruit Depot, Parris Island, S. C.

During the 11-week training cycle, he learned the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills, including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

Communication

To all those parents, friends and students who worked so hard and generously to get the Elementary and Middle school buildings spruced up for the recent visit of the Accreditation Committee: A HEARTY THANKS from the PTA Board and the school administration. The visitors were most favorably impressed with the neat and clean physical appearance of the school and even more so with the cooperation, pride and community involvement that obviously had taken place. So if you scrubbed floors, sewed curtains, prepared refreshments, cooked a meal, served a meal, telephoned, ran errands or any of the hundred other tasks that were accomplished, you helped bring this important accreditation process to a successful conclusion, the ultimate benefactors of which will be all our children.

Sincerely,
Jo L. Key, Secretary
Tryon, PTA
